*** AUGUST 21 UPDATE : 2020 CHARITIES LOTTERY ***

Worthy Brothers

- **SELL, SELL, SELL**….
- Let us avail ourselves of both proven ways to sell and be creative and innovative; for example Council 5073 from Burlington is planning to sell at the Mall in early September.
- Thank you to the Councils that responded to the survey from July. We have 88 responses to date (about 25% response rate, including those that have already submitted their returns). So far the proceeds from sales are $210,000.
    - For those that have not responded yet please take a moment to send me a one line email, for example: Council 12345, sales to date $2500.
- There is still time to sell more tickets.
    - You can order more books from the State Office. The more you sell, the higher the returns to your Council and more funds available for Charities. For those Councils that did not participate earlier, there is still an opportunity, just contact the State Office. Consider ordering a package of 10 books (worth $500).
    - For questions or additional information feel free to contact either myself jaime.libaque@rogers.com or the State Office at stateoffice@ontariokofc.ca
